## 2018 MISS HANOVER AREAS OF COMPETITION

### Private Interview - 30%

The private interview is 10 minutes long: Questions will not be confusing or difficult, but rather to get to know the contestant. You are not being judged on your opinion but rather how you get your point across. ★ ★

### Talent – 25%

Talent will be a maximum of two minutes. Any talent presentation less than ninety seconds and over two minutes will be disqualified. Judges will be informed immediately if a contestant runs over her allotted time.

### Evening Gown – 20%

All contestants will be required to model an evening gown of their choice. All evening gowns should be floor length, age-appropriate, and flattering to the contestant. Make sure the gown fits well and is altered to the appropriate length. There are to be no slits above the knee.

### Introduction - 10%

The contestant will deliver a personal introduction in front the overall panel of judges prior to beginning the interview portion of the competition. Introductions should include hobbies, interests, life ambition, and name. The judges will be instructed to take notes during the introduction to help guide the questions during the interview. The time limit is forty-five seconds. Introductions over forty-five seconds will be disqualified.

### Scholastic Achievements – 10%

Contestants are to submit one tri-fold poster board that highlights them as a contestant. Included should be activities (sports, arts, and performance), scholastic achievements, other awards and achievements, and future ambitions. The judges will be instructed to take notes when viewing to help guide the questions during the interview. The boards will also be on display in the lobby of the auditorium.

### On Stage Question – 5%

One on-stage question will be given. The contestant will pick a question from a bowl and will have forty-five seconds to answer the question.
