Dear Pageant Participant,

Miss Hanover Area Pageant has a long standing tradition in Hanover of providing local young women with scholarships to further their education. This year we will hold the 55th Miss Hanover Area Pageant on Monday, October 23, 2023 at the Eichelberger Performing Arts Center. Today the pageant is a much anticipated and respected tradition that highlights the talents and skills of the young women in our local community and offers them an opportunity to win scholarships and awards to finance their post high school education.

Miss Hanover Area Pageant winners have the opportunity to be involved with the Hanover Community throughout the 2023 year. Activities will include, but are not limited to: The Hanover Halloween Parade, the Christmas Parade, Jaycee for Joy, Shrimp Feed, Rock on the Hill and more.
